**SATISFACTORY ACADEMIC PROGRESS**

To receive Title IV student aid, the following definition of satisfactory academic progress must be met. Federal guidelines require that the Financial Aid Office measure progress with qualitative measurement (grade point average) and quantitative measurement (length of time for completion).

Only students enrolled in credit courses, seeking degrees/certificates, and in good standing can receive financial aid. Satisfactory academic progress must be checked in increments no longer than half the program or one academic year, whichever is less. Satisfactory academic progress is also checked the first time the Title IV aid is packaged each academic year.

**Grade Point Average (GPA) / Minimum Completion**

The previous semester of attendance (fall/spring/summer) students must complete a minimum of all course work based on the following scale:

- 12 or more hours = must complete 8 hours
- 6 thru 11 hours = must complete 6 hours
- Less than 6 hours = must complete all hours

The previous semester of attendance (fall/spring/summer) must show a minimum GPA of **1.50**. At the time a student has accumulated 30 semester hours, a minimum GPA of **2.00** must be met each semester (fall/spring/summer).

**Length of Time**

Students can receive financial aid for no longer than 150% of the total hours required for the degree or certificate. (This includes W's, I's, CR's, Audits, and Repeated Courses). Once a degree or certificate has been earned, a student must commit to another degree or certificate program before financial aid can be awarded.

**Transfer Student**

Transfer students are subject to the same policy regarding length of time and grade point average in regard to hours that are transferred to North Arkansas College.

**NOTE:** All transfer transcripts must be received in the Registrar's Office and must be evaluated before academic progress can be determined.

**Suspension**

Any student failing to meet the academic progress policy will be placed on financial aid suspension and will lose eligibility for financial aid. If suspended because of g.p.a./minimum completion, a student must complete a semester with his/her own finances and meet the progress policy as stated above to regain eligibility. Once a degree/certificate has been earned, a student must commit to another degree/certificate program before financial aid can be awarded. Students seeking multiple degrees/certificates are required to submit a degree audit form. All hours attempted for previous degrees/certificates earned will be included in evaluating SAP for your chosen degree/certificate.

Students wishing to appeal financial aid suspension must complete a "financial aid suspension appeal form" and submit to the Financial Aid Office within 15 days after receiving notification of suspension. A student's financial aid file must be complete (all requested documents received) before an appeal will be reviewed.

I permit North Arkansas College to use any Title IV federal aid I receive to pay any institutional fees and charges related to my attendance at North Arkansas College. This permission pertains to charges for the award year for which I am receiving financial aid and minor prior year charges. I understand that I may rescind (in writing) this permission at any time. Allowable charges include tuition and fees, bookstore charges, and returned check fees, library fines and lost books, and miscellaneous charges.

I certify that I have read and understand the above Satisfactory Academic Progress Policy.

I certify that the information on this is true and correct. I understand that falsification may result in repayment of financial aid received.

**\*I authorize North Arkansas College to release financial aid information to federal, state, county, and city agencies.**       Yes  No

**\*I authorize North Arkansas College to release financial aid information to parent/spouse.**       Yes  No
